## Applying for Jobs in Germany

### Workshop for international students

Job applications in Germany can differ considerably from those in other countries. This applies to the number of the application documents, the structure and content of the CV / résumé as well as to the addition of a candidate's photo and of certificates. In this course you will learn to adapt your application documents to the expectations of German employers. Furthermore, the stages of a typical job interview, the most common and critical questions and appropriate answers will be presented and discussed.
